

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF ADJUSTMENT OF RATES        )  
OF COLUMBIA GAS OF KENTUCKY, INC.) CASE NO. 9554

O R D E R

On May 27, 1986, Columbia Gas of Kentucky, Inc. ("Columbia") filed an application to increase its general rates and charges. Along with the Application, Columbia filed a Motion to deviate from certain filing requirements. On June 10, 1986, the Attorney General's Office filed a Motion to dismiss Columbia's application because it had failed to meet certain filing requirements and did not give proper customer notice as to the proposed rates. As an alternative, the Attorney General requested that Columbia file all the information required in the Commission regulations and give proper notice to the public.

On June 17, 1986, Columbia filed an amended application which met all the filing requirements required by the Commission regulations. In addition, it filed a Memorandum opposing the Attorney General's Motion stating that it is now moot because the proper procedural filing requirements have been met. Columbia asked that the Attorney General's motion be dismissed.

The Commission FINDS that Columbia's amended application is in compliance with its procedural filing requirements and that the Attorney General's Motion is now moot and should be dismissed.

IT IS THEREFORE ORDERED that the Attorney General's Motion to Dismiss be and it hereby is denied.

Done at Frankfort, Kentucky, this 27th day of June, 1986.
